

<p>Savant is our newest and most unique product line that provides us with the platform from which to easily, and more cost effectively, implement cutting edge solutions in the home. The Savant system is based on the Apple platform and provides native support for devices such as iPod, iPhones, Apple TV, and the newest iPad. The latest Trulmage technology allows for easy identification of objects to control. If you want a light to turn on or off, simply touch the light from the image on the screen. How much easier can it get?</p> <p style="text-align: center;"></p> <p style="text-align: center;">You already know how to use it!</p> <p style="padding-left: 30px;">◆</p> <p style="padding-left: 30px;">◆</p> <p style="padding-left: 30px;">◆</p>
